

STRATFORD UPON AVON BOWLS CLUB

WINTER 2020 NEWSLETTER

A newsletter with “no news” – what’s the point? But in the run up to Christmas in tier 3 of the dreaded tier system it’s nice to know that there are folks out there concerned with your wellbeing so if there is any problems that I can help with don’t hesitate to get in touch with me.

Ever hopeful the fixture list for next year is in progress and will in essence duplicate the 2020 season.

Our accounts are being prepared in readiness for the AGM when that can be arranged in accordance with government guidelines.

For those of you that are on the Torquay trip in March we are still in contact with the hotel and it still looks likely to go ahead obviously depending on where we are with the vaccine programme and government guidelines.

Normally about now the pigeon holes in the corridor of the club are full of Christmas cards. Could I suggest that that this year we don’t do this as people will not be visiting the club and picking up their cards with the cancellation of our usual Christmas Social evening.

We have missed out on such a lot this last 9 months but what we haven’t missed out on is the camaraderie amongst our members. Please continue to help and assist each other offering friendship and support.

I can’t wait to get “back to normal” next year, roll on 2021. In the meantime, all have a happy and safe Christmas.
